Inspiration

1.

It might be a dungeon,
of suffering and pain full,
yet this life is worth living,
and this world is beautiful.

2.

Pain is not a medallion
that you must weigh your bosom with.
It's a force you must fight against
and never, never let it win.

3.

When you chase a big dream,
you have to battle with nightmares every day.
Keep fighting.
Every struggle overcome is a victory in itself.

4.

When your road is long
and feet are tired,
keep your spirit strong
and hopes unretired.

5.

Look at the Moon tonight.
She does not hide her scars.
She shines brighter than them,
ruling over the stars.

6.
Light is limited to realities.
But darkness is the realm of possibilities.
It can lead to anything.

7.
The stars in the sky burn
making one thing clear,
if darkness surrounds you,
you must shine, my dear.

8.
If there are a thousand shades in your darkness,
there must be a light somewhere too.

9.
Keep aspirations high,
Hopes strong,
Confidence doubtless,
Determination unflinching,
Endeavour untiring,
Failure unashamed,
Success humble,
Principles uncompromised,
Honour unsullied,
Respecting yourself
Through whatever might come.

10
Take courage, strive on, my heart.
The road may be treacherous,
the night dark.
But maybe,
maybe,
around the next bend, or the next,
your destiny awaits.

Life

1.

Dreams are one treasure that God has bestowed on everyone without any discrimination. Nobody has a right to rob anyone of their dream.

2.

We should be careful what we wish for.
Because sometimes, a wish fulfilled becomes worse than a curse.

3.

Lies run fast, truth walks on crutches.

4.

The trouble with making plans is that they are laid on present's roadmap. But Life walks on ever changing roads. Today's paths seldom exist till tomorrow.

5.

A tear may not weigh much on a scale,
but it is heavy enough to crush a heart under its load.

6.

Sometimes, a responsibility can be the only glue that keeps a person from falling apart.

7.

Accept yourself before you expect others to accept you.

8.

Life really is a most whimsical thing. While we consistently try and chart its route, it goes ahead and takes its own turn. Just follow the paths it lays out before you. And you may find, at some sudden turn, a miracle waiting just for you.

9.
Master your thoughts.
Or they'll make you their slave.

10.
When life pulls you
by a string you can't break,
whistle and dance at every step.
You'll still be life's puppet.
But at least you'll be merry.

Love

1.

No love can survive without respect.
Not even self-love.

2.

When you are hurting in your heart, it's no use even if the entire world asks you how you are feeling. All you need is to be held by someone who doesn't need to ask.

3.

When it's time for you to fall in love, even a lemon can become the cause of it.

4

Within the heart of every person
hides a love story
just waiting to be told.

5.

With love comes the risk of losing it. With love comes the risk of getting burnt with it. When love burns, it consumes even the soul.

6.

Love is the only power that can go beyond all logics and still be perfectly right.

7.

A broken heart may heal with time.
But a heart closed to love never heals.

8.

There's no greater strength than love.
There's no greater weakness.

9

Caught in the strands of time
I'm looking for the moment
where Happiness and Destiny unite
and Love holds me tight.

10.

Lord, grant me thus,
when the last comes
I can smile
and say,
'I was loved.'
